Thanks Rob. I plan on bringing our counsel and am hopeful someone from the solicitor's office will be able to attend.

Would an hour earlier or later be better? I was just trying to give those flying in the most flexibility on return flights.

Great. We can use my conference line - (b) (5) passcode (b) (5), if you like.  
That is the same time as our senior staff meeting - I can get out of it and send an acting but Leo Miranda and Jack will likely have to be in that meeting. Would that be a problem? We can always meet with them after the senior staff meeting. R

Rob,

It appears that Monday the 30<sup>th</sup> of January at 1:00 is the consensus date/time for a meeting in Atlanta to discuss the Eastern Collier HCP/EIS. Please let me know if you would like for me to establish a conference line for those that cannot participate in person. We look forward to the discussion.
